

'Relle Belle – This is a cool-off from the hot post I mentioned... This chill track has a chill vibe:)

It's the most popular song from my first official album, 'Dreaming Seed'. Not quite hip hop, not quite jazz, not quite pop... It's straight from the heart (in it's own lane fo sho)

\*\*\*\*\*

And if you like this track, and would like to listen to more music from my albums, you can check them out at:

<https://www.brianrogersmusic.com/albums/>

Thanks again for listening to it, and more importantly, for feelin it Means a lot. -B
