

"Pre-Faded Jeans" - I wrote this song years ago, but that's what makes it so frustrating - because it still happens EVERY. single. damn. day..

You'll see what I mean when you listen...

And if you like this track, and would like to listen to more music from my albums, you can check them out at:

<https://www.brianrogersmusic.com/albums/>

Thanks again for listening to it, and more importantly, for feelin it Means a lot. -B
